Dear St. Anna Families,

One of my greatest joys as Headmaster of St. Anna School is the weekly school Mass. For those of you who have attended, you can attest to the fact that, more often than not, students' responses to during my homilies are more than I bargained for. However, it is in these moments, I am acutely aware of how truly blessed I am to shepherd this wonderful school. I often remind our students that I view them all to be tangible, physical manifestations of God's perfect love for me.

You have been such an integral part of our growth and success. I thank you for your unwavering commitment to a Catholic education for your children. Without the continued generosity of our faithful families and dedicated benefactors, Catholic education would cease to exist.

At Christmas, you received Save the Date Card for our annual Gala in which I announced that St. Anna Families who purchase tickets to the Gala will be entered into a Tuition Raffle. This is your chance to win a \$2,000 tuition credit for the 2017 - 2018 school year. But, it comes with a twist – you must be present at the Gala to win!

The Gala is our school's largest fundraiser and the supplemental funds we raise help to make much needed improvements to our school that would otherwise be impossible to do. Your attendance, and the donations we receive, whether monetary or in-kind, have helped to raise over \$275,000 in the past eight years.

Enclosed is an invitation to the Gala which will be held at the Wachusett Country Club on April 1st. This year's theme is a Sock Hop! Let's rock around the clock in our 1950s attire (optional). In addition, I have also included the terms and conditions for the tuition raffle.

We take great pride in our mission here at St. Anna Catholic School. We are truly blessed to have so many dedicated donors, volunteers, staff, families and friends.

May Almighty God abundantly bless you, as He has tremendously blessed me through you!
