***School-Home Communication Form***

School-Home Communication is an integral part of your child’s education. We are fortunate to be able to share information with you via E-Mail, Friday Mail (through e-mail and available on the website) and Connect-Ed. Connect-Ed is a service that allows us to send personalized voice and email messages to members of our community to remind them of upcoming events as well as school delays or cancellations during the winter months.

We want to make sure that we have the most up to date and accurate information in our data base and ask that you complete this form and provide us with contact information on an annual basis.

**Please inform the office of any changes to this information throughout the school year.**
