

Greetings, Earlings!
Take us to your Reader!

We are from the planet Booktar. We were visiting your world when we discovered that our spaceship had run out of fuel. Now, we can't get back to our home planet, unless you help us!

Our spaceship is fueled by books. We can add fuel to our ship, whenever a child reads a book. For every book each one of you reads, we can add a little more fuel to our spaceship. Our planet is very, very far away from here, so we need a lot of books read to get us home! Please help us fill our fuel tank by reading as much as you can, whenever you can, where ever you can!

Reading can take you out of this world!
Your reading will take us back to our world!
