

Members in attendance	Carrie Piermarini, Amanda Ciccolini, Katie Weldon, Joanne Ciccone, Amy Sarsfield, Rebecca LaDue, Heather Gallagher, Wendy Thomas, Michelle Mainguy, Alyssa Carlin, Julia Keiselbach, Bobbie French, Elizabeth Ellis, Ashley Valles
Approval of minutes	Motioned by JC, seconded by WT, all in favor
President’s report	No fuss fundraiser launched, s’more newsletter. Class with most donations for no fuss will win a pizza party, runner up will win an ice cream social. End date for this fundraiser will be 12/10. An update will go out on Friday mail. 1685 raised so far.
Principal’s report	By Bobbie French- things are going well. Catholic schools week was great! Opinion is that it would have been in January like it has been. St Anna Spirit week will be in January the week of pasta supper. Conferences coming up next week. MAP testing results should be available for conferences.
Treasurer’s report	Given by Alyssa Carlin- current balance is 7825.06. Outstanding checks for \$800 for wildlife show.
Committee reports	<p>Pasta Supper- if anyone is interested in joining the committee speak to Amanda Ciccolini. There is especially a need for soliciting donations for raffle baskets.</p> <p>Playground- a poll was taken to gauge response towards to playground designs. Statistical tie. Concern raised about needing to ask the Bishop about approval for such a large capital improvement. Bobbie will inquire and report back. Current plan is to form a committee to begin formally fundraising after Christmas.</p>

Sponsored Programs	Advent night Nov 30 6-8 Movie night Dec 1- 6 to 8 Christmas shop Dec preview on 3, shop 4-6 Speak to Michelle Mainguy about helping with the shop- Rebecca LaDue interested
New business	Calendar raffle sheets will go home Friday Nov 16. Sheets sold by middle school students will directly benefit their spring trips while sheets sold by other grades will benefit the general PTO fund.
Announcements	Joanne Ciccone won the door prize
Next meeting date/time	Jan 9, 6pm
Parking Lot for next meeting/ Upcoming agenda items	
Teacher Representative- Miss Ellis	Focus on science, math and 3d printing. Printer is new and has been used especially with an art printing program called scan the world. Geography has focused on exercises around the globe and map construction. Chicks recently hatched, doing well!

Minutes respectfully submitted,

Julia Keiselbach
