

Destination: Teacher Appreciation!

May 6, 2019 - May 10, 2019

St. Anna Airlines welcomes its first class teachers to a dazzling week of travel and adventure around the world! All week we will fly the friendly skies to some of the world's most famous cities. First class round trip tickets are scheduled to depart on Monday, May 6th at 8:30AM. Each day of the week, we will be making stops in different countries around the world. Our return flight is scheduled for Friday, May 10th at 3:15PM. Below is the itinerary for this amazing around the world tour, and some suggestions on how we can show our amazing teachers that we think the world of them!

Monday: Holland, Netherlands

The first stop on our world tour is in Holland. It's springtime in the Netherlands and the tulips are in full bloom, more than 7 million of them! Let's show our teachers how much we appreciate them by showering them with flowers! Students can transform their teachers desks into a beautiful Holland flower field by giving them a single flower, a bouquet, a small plant, a paper flower, or a hand drawn picture of a flower!

Tuesday: Paris, France

Bonjour mes amis! Today we are in France! Known as both the "city of lights" and the "city of love", Paris is sure to delight our first class teachers! Students can "light" up their teacher's day with some "love" by writing a nice letter detailing all the things their teacher does that the student likes, or a little note with a compliment or two, or even a hand drawn picture! We can also show our appreciation for all the love and care our teachers show their students by replenishing their "classroom care kits" with things like tissues, anti-bacterial wipes, hand sanitizer, and band-aids. Please see the attached "Teacher Classroom Supply Wish Lists" for ideas on specific classroom care kit needs.

Wednesday: Zurich, Switzerland

There's no denying it - St. Anna teachers are just "plane" sweet! And what better place in the world to go for sweets than Switzerland?! Swiss chocolate is famous the world over - lets show our teachers how sweet we think they are by giving them a sweet treat today! Students can bring in chocolate or other candy, a cupcake, a cookie, fruit, or other sweet treat that they know their teachers will enjoy!

Thursday: Beijing, China

We are so very fortunate to have our first class teachers! Next stop - China! Who doesn't love Chinese food?! What's more, who doesn't love the fortune cookies at the end of the meal! Today we will bestow upon our wise teachers many great fortunes! If you haven't already, please respond to your Room Parent's email regarding a fortune from your child. At least one fortune per classroom teacher and one for each "specials" teacher is greatly appreciated! We will be giving each teacher a Chinese food take-out box full of fortunes to read and enjoy!

Friday: London, England

Our last stop before heading back to the USA is in London, England where our first class **TEA**chers will get the "royal treatment" at Buckingham Palace! Tea and cookies will be served in the First Class Teacher's Lounge all day and students can "treat" their teachers to any school supply item needed in their classroom! Please see the attached "Teacher Classroom Supply Wish Lists" for ideas on specific classroom school supply needs.

Teacher Classroom Supply Wish Lists

Classroom Care Kit Needs (items not listed below are not needed at this time):
